

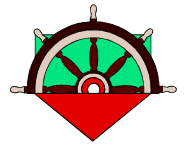

Graphics Made Easy

Steve Sawford Marine Ltd

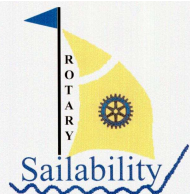

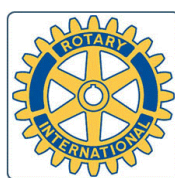

Boat Names in your choice of style and colour

Pictures or Patterns of your choice for Sails or Hulls

All factory fitted when ordered with your boat

What better way of promoting your organisation or company than providing boats and equipment for your local Sailability group and having your company/organisations colours, name, logo and/or message displayed on the boat. Each time the boats sail both locally and as they travel to events you will have a high profile link with a very well respected community group. Some companies/organisations use these photogenic boats in their advertising and at times borrow them back for shows and other promotional events where they can be real crowd pullers.

The price of **Logos** and **Pictures** is dependent on size, complexity and numbers of colours.

Email details to Steve at info@speedysports.co.uk or speak to him on 01536 330477. He will be happy to help.
